QUICK RELIEF PROMISED
Freight Shipments, Especially of Hard
Coal, to be Rushed on New Haven
Road.

Robert H. Fenton, secretary of the
Willimantic Board of Trade and Busi-
ness Men's Association, received a no-
tification Tuesday morning from the
committee of the Connecticut Chamber
of Commerce, which was appointed
last Friday at a meeting of delegates
in New Haven for the purpose of
looking into the embargo on freight,
which included the coal situation. The
committee stated that they were pleased
to advise that official notice has been
received from L. K. Kenfield, General
Freight agent of the New Haven road,
that unusual measures have been
adopted which should give quick relief
to the cities and towns now suffering
from a shortage of coal.

Explicit orders have been issued to
all of the coal roads, instructing them
to immediately sort out all cars of
hard coal now in these different roads
and see that these cars are delivered
to the New Haven road. The coal
dealers of the cities and towns are
requested to give Mr. Kenfield a list of
the numbers of the cars in which their
orders of coal were shipped.

Local conditions are better and in
a short time there will be a good sup-
ply of coal arriving in this city.

ARNOLD LANE HOUSE
GUTTED BY FIRE

Firemen Had Stubborn Fight—Prob-
ably Total Loss.
An alarm was rung in from Box 16
Tuesday night at 9.45 o'clock, calling
the fire department to a two-story
house at No. 30 Arnold's Lane. The
entire neighborhood responded, the
alarm being first on the spot. The
roof was all ablaze when the firemen
arrived and the fire proved a very
stubborn one and was not entirely out
entirely out at 11 o'clock. There was
no wind blowing at the time, the night
being quite calm. The Elks were cele-
brating their anniversary when the
call came. It was not known last
night just what caused the blaze but
it was thought to have started down-
stairs from a stove and burned up the
side to the roof.

The roof was soon afloat and be-
fore the firemen got there the roof of
the next house had caught fire. This
was soon extinguished. One of the
chimneys fell with quite a crash
through the roof. The house was owned
by Deane Shier and occupied by an
Italian family. The house was com-
pletely gutted and will probably be
a total loss. A large crowd watched
the fire.

Worth Careful Thought

Do you read the label to know whether
your baking powder is made from cream
of tartar or, on the other hand, from alum
or phosphate?

Royal Baking Powder is made from
cream of tartar, derived from grapes, and
adds to the food only wholesome qualities.

Other baking powders contain alum or
phosphate, both of mineral origin, and
used as substitutes for cream of tartar
because of their cheapness.

Never sacrifice quality and healthful-
ness for low price.

JEWETT CITY

Borough Loses a Good Citizen in the
Death of Timothy Driscoll—Rev. F.
J. Kuster to Preach Lenten Sermon
—Work for Tuberculosis Fund.

Timothy Driscoll died at his home
on Mechanic street a little before 5 o-
clock Tuesday morning. Mr. Driscoll
has been ill for more than a year, the
end finally coming as the direct result
of heart disease.

Last July he was obliged to leave
the employ of Dearnley Clarke, al-
though his employers never considered
him as having finished with them and
he could have returned to work at any
time when he chose to do so.

He was a veteran of the grocery busi-
ness, having begun as clerk with the
firm of Potter & Chapman in Ashland
shortly after coming to Jewett City,
38 years ago. With this firm and for
Chapman & Co. he was employed 12
years. Twenty-five years ago he en-
tered the W. A. Slater store where
he has been ever since. The last 17
years of this store has been owned
by Dearnley & Clarke. To quote one
of the members of the firm, "He school
the best grocer the city has ever had."
His character in every way that it has
been his fortune to know. Everyone
who knew him was full of respect for his
character and faithfulness, with a marked
ability in the business which he chose
for his life's work when but a little
boy.

In the church as well as in the com-
munity he was an active, upright man,
always looking toward the benefit of
both. He was a member of the Holy
Name society, and was a collector for
St. Mary's church for 20 consecutive
years.

Mr. Driscoll was the son of Michael
and Mary Welch Driscoll and was
born in Lisbon April 30, 1878. He re-
sided with his parents until 1885.
She with five children survive, W. T.
Driscoll, M. D., Driscoll, M. D., Driscoll,
Katie of Albany, N. Y., Mary, a
teacher in the Riverside grammar
school, and Alice, who is a nurse in
St. Joseph's hospital. He leaves a
nephew, Rev. P. F. Scully of
Albany, N. Y., who lived in Mr. Dris-
coll's family in his earlier years.
It was his home during the time he
was receiving his early education in
the Jewett City school.

Mr. Driscoll was a model in his home
life and devoted all his energy to his
interests and making the require-
ments of his family his foremost
thought.

Rev. Father Kuster to Preach.
Lenten devotions at St. Mary's
church will be held at 7.30 Wednesday
and Friday evening. This (Wednes-
day) evening the sermon will be by
Rev. F. J. Kuster of Bristol, was for-
merly a curate at St. Mary's and later
at St. Patrick's church in Norwich.
The fact that he is to speak assures
a large congregation every night. His
many friends will be glad to listen to
him again. Friday night there will be
the stations of the cross.

About the Borough.
Miss Clara Adams is a photographer
in the Aspinok office since March 1.
Robins and bluebirds have been re-
ported from several parts of the town.

To Aid Anti-Tuberculosis Work.
During April Dr. Allen Greenwood of
Boston is to give, for the benefit of
the local tuberculosis fund, an illus-
trated lecture on Personal Hospital
Experiences in the Present European
War.

Dr. Greenwood has given this very
entertaining lecture in Chicago, Can-
ada and in several New England cities
and towns. He was in the actual ser-
vice of his profession in France, and
the stories he tells and the views he
has taken have proven of the keenest
interest.

The funds in the home treasury,
which were received from different
sources for the fight against tubercu-
losis have been depleted to such an
extent that it is sorely in need of re-
plenishing. The committee have under
consideration several plans with this
end in view. Since the fund was es-
tablished many who have been left at
home have had necessities provided,
medical attendance has been given, a
considerable number have been sent to
the sanatorium in Norwich and two
patients have returned home cured.

To Remove Stains.
Almost every housewife has had to
spend a great deal of time in scour-
ing and cleaning the kitchen sink. One
housewife has used the various clean-
ers and also kerosene, but was never
able to keep it entirely white until
one day she used the half of a lemon
on drainboards and table. It was found
it removed every stain.

PLAINFIELD

Automobile Supply Agent Dopes Local
People as Well as Those in Daniel-
son—Senior Team, With Clean Re-
cord, Wins Gold Trophy—British-
American Relief Fund.

A short time ago a man came to
Plainfield as a representative for an
automobile league. The purpose of
his visit was to obtain for automo-
bile owners lower prices. Owners who
joined this league upon a payment of
\$10 would be able to obtain supplies
at cost price. This representative was
introduced to about 12 of the automo-
bile owners of Plainfield, each of whom
handed him a \$10 bill in order to re-
ceive supplies at cost price. Now it is
said that this automobile organiza-
tion is in difficulty and that the \$10
which the local owners paid into the
league will be of little value to them.
A number of automobile owners in
Danielson were duped in the same
manner, as noted.

Senior Team Wins Trophy.
The final games of the interschool
basketball series at Plainfield High
school were played at Milner hall on
Monday afternoon. The Seniors de-
feated the freshmen with little diffi-
culty by a score of 32-6, thereby gain-
ing possession of the handsome gold
trophy given by the faculty of 1914.
The Seniors went through the series
without being defeated.

Juniors Defeated.
The Juniors were defeated by the
Sophomores by a score of 12 to 4.
The final standing of the class teams
was:

	W.	L.
Seniors	3	0
Sophomores	2	1

News in General.
Miss E. H. Kingsbury is teaching
Latin and French at the Plainfield
High school, filling the vacancy left
by Miss Kingsbury's resignation.
John Rogan who lives on Babcock
avenue, has much to say against this
warm spell which caused the melting
of the snow and flooded his cellar so
that it was at one time feared that
Mr. Rogan and family would be forced
to abandon their home for as Mr. Ro-
gan put it, "They would have to live
on the ceiling." Men, however, soon
dispensed of the fear by removing the
water from the cellar.

James and Eugene Coffey were in
Providence Tuesday.
D. Sweeney, a Plainfield resident,
intends to return to New York some-
time soon.

Freight Embargo Lifted.
The embargo on freight from Plain-
field to New York was lifted Tuesday
at midnight, according to notices de-
spatched to numerous business men
yesterday. A great deal of freight is
now on hand to be shipped to New
York as early as possible and the
shippers of the concerns and at the
freight houses will be kept busy work-
ing after the goods.
